

LYME ART ASSOCIATION

ANNUAL EXHIBITION, 1925

The Exhibition opens on Saturday, August 1st, and closes Monday, September 7th.

The Association does not collect or return exhibits. They must be delivered at the Gallery on Thursday, July 23rd, by the exhibitor or his agent and removed Tuesday, September 8th. All charges on exhibits sent by Express, transportation, cartage, unpacking and packing, must be paid by the exhibitor.

Pictures not hung must be removed Thursday, July 30th, 2.00 to 5.00 P. M.

Pictures should not exceed 40 inches in their greatest dimension, excluding frame, sketches should not exceed 24 inches including frame. Works exceeding the above dimensions will not be hung. It is requested that frames on pictures should not exceed four inches in width. All exhibits must remain as placed by the hanging committee until the close of the exhibition.

Mr. Wm. S. Eaton will again give a purchase prize of \$500.00 to be awarded by a vote of the artist members of the Association at a meeting called for that purpose. The donor of this prize reserves the right to purchase any additional pictures entered for the prize for the same amount (\$500.00).

The Museum Purchase Prize of \$500.00 will again be given. Only pictures duly entered for these prizes will be considered in competition and must be so marked on the back.

Name of artist, title, price, and if entered for either or both of the above prizes, must be plainly printed on the back of each picture and sketch, on tags provided for that purpose. Neglect to do this may bar an exhibit. Extra tags may be had from Miss Florence Griswold.

Those wishing to have their pictures photographed for publication in newspapers, etc., will please communicate at once with Mr. Wm. S. Robinson, Lyme.

Early shipments are urged.

The Association assumes no responsibility for loss or damage and all works sent must be submitted under these conditions.

Any person directly receiving a commission through work exhibited at the Gallery will be expected to pay the regular commission on the amount of the order.
